WASHING & DRYING INSTRUCTIONS:

- Machine wash in cool water, on a delicate cycle in a large-capacity front-load washing machine with a maximum temperature of 30°C (86°F).
- Use mild detergent.
- Do not use fabric softeners or conditioners on polyester fabrics.
- Tumble dry on low permanent press setting, with a maximum temperature of 55°C (131°F) or hang to dry.
- Remove promptly from dryer to reduce wrinkling.
- Do not iron.
- Wash separately from other linens.
- Wash heavily soiled items separately from lightly soiled items.
