## HEALTHCARE/MICROFIBER PILLOWCASES/SHEETS

### PATIENT COMFORT

Our pillowcase is engineered for a soft, crisp and comfortable feel. The pillowcase features a smooth and breathable finish. Your patients will feel the difference, CLEAN and FRESH.

### PRODUCTIVITY

The design will withstand the demands of healthcare processing requirements while staying white and crisp. With no shrinkage the pillowcase is easy to put on pillows and remove.

### GREEN SUSTAINABILITY

You'll find good durability with performance and be pleased with superior stain release and wrinkle resistance appearance. The Golden Cloud Pillowcase is environmentally friendly using less water and drying time.
