POWER GREEN

BioBased All Purpose Cleaner/Degreaser

Tough on Soils, Easy on the Environment

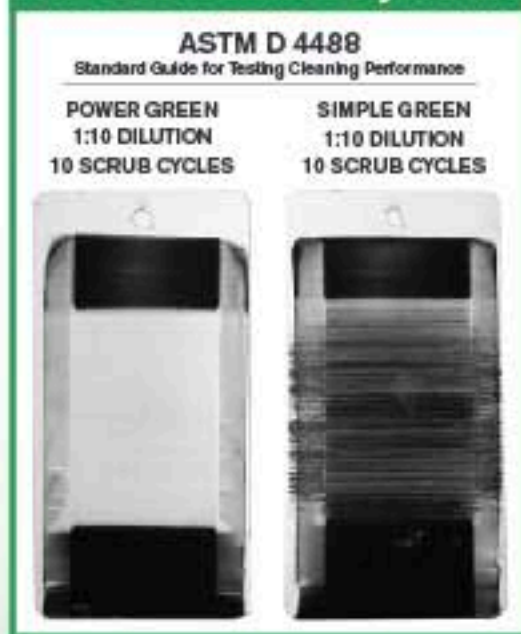

Power Green is a concentrated, heavy duty, multi-surface cleaner formulated to be environmentally friendly yet strong enough to handle the toughest cleaning tasks. Power Green is designed to remove carbon stains and greasy residues from walls, floors, machinery or any washable surface. This versatile cleaner may be used as a spray and wipe cleaner, for damp mopping, automatic scrubbing, hand scrubbing and high pressure washer/steam cleaning. Power Green can be diluted with both fresh and salt water.

Experience the power of this safe, yet effective green cleaner:

- USDA Certified BioBased Product
- No VOCs
- Non-Flammable
- Biodegradable
- Environmentally Non-Toxic

The test results say it all!
