

Agronomy Technician

Kingsville/Leamington Area based

Royal Brinkman Canada Inc is a customer service focused company looking for an Agronomy Technician to work the Kingsville/Leamington area. The successful candidate will gain experience in various horticultural settings – greenhouse fruit and veg, ornamentals, nursery, and cannabis. If you would like to work with a dedicated and passionate team in a role that can make a difference and add value to our customers, this could be the job for you.

Responsibilities:

- Under the direction of the Head Agronomist, relay to customers fertility and pest control programs involving cultural controls, biologicals, pesticides and fertility products.
- Execute trials for new products and new uses.
- Implement media, tissue, sap and leachate sampling programs.
- Ability to work with Royal Brinkman team members to drive sales and agronomic practices for customer profitability.
- Inspect and monitor plants for symptoms or signs of pests or diseases (such as spider mite, aphids, thrips, botrytis, phytophthora, fusarium, etc).
- Provide a report on findings (complete a scout sheet) to the Head Agronomist.
- Comply with all Health & Safety and SOP procedures and policies.
- Other duties as assigned.

Skills & Qualifications:

- Secondary school diploma or equivalent in Horticulture, Agriculture, or related field.
- Previous experience in a greenhouse or hort/ag environment an asset.
- Certified Crop Advisor Status (CCA-ON) or willingness to obtain.
- Intermediate level of computer skills; working knowledge of Microsoft Office (Outlook, Word, Excel).
- Valid G driver's license and own reliable transportation required. Mileage paid.
- Strong attention to detail and accuracy.
- Ability to communicate effectively (written, oral and spoken) in English.
- Must be able to work independently and as part of a team.
- Positive attitude and punctual.
- Must be able to walk or stand for extended periods of time.
- Ability to work in a hot/humid environment and at heights.
- Willingness to work flexible hours as required during the season.
