

# Fadex Rapid hand sanitizer without alcohol and perfume

The product is based on natural ingredients, of which lemon juice is the most relevant ingredient. Because the product does not contain alcohol, it is safe and gentle on the skin and does not dry out the skin.

#### The main features of Fadex Rapid are:

- » Strong in removing organic pollution
- » No perfume, suitable for HACCP
- » Effectiveness can be checked by measuring pH (must be below 3.5)
- » Suitable for immersion treatments
- » Prevents plant sap from penetrating deep into the skin
