#### IMPORTANT:

TCED cannot not be held responsible for any damage or loss if the PAC has been opened by the customer.

### Shipping instructions\*

☐ Ship with the next order

☐ Carrier

All PAC rebuilds include a 12-month warranty on the rebuilding and the cells from the invoice date.

The warranty does not cover electronic defects of the PAC or the equipment, improper use or lack of maintenance of the PAC.

### Liability waiver\*

Please read attentively before signing

The customer recognizes that the appearance of the device may be altered when it is opened or closed. The customer is also aware that the device may not work, despite our repair attempts, due to a problem associated with the electronic components, etc. The customer releases TCED of all responsibility in case of non-functioning or aesthetic alteration after attempting to repair the equipment.

I undersigned\* \_\_\_\_\_ am aware of the risks and accept that TCED carries out the necessary repair work on my device.
